Surviva Self Righting Liferafts

- Over 90 years technical expertise
- World leader
- Largest global service network
- Quality assured

Surviva Self Righting Liferrafts

A LEGACY OF INNOVATION

Our mission is to continually strengthen our position as global leader in the supply of survival equipment to the maritime industry through customer focus, product excellence and technical innovation.

With over 90 years industry experience, RFD remains the market leading brand in the design and manufacture of survival equipment.

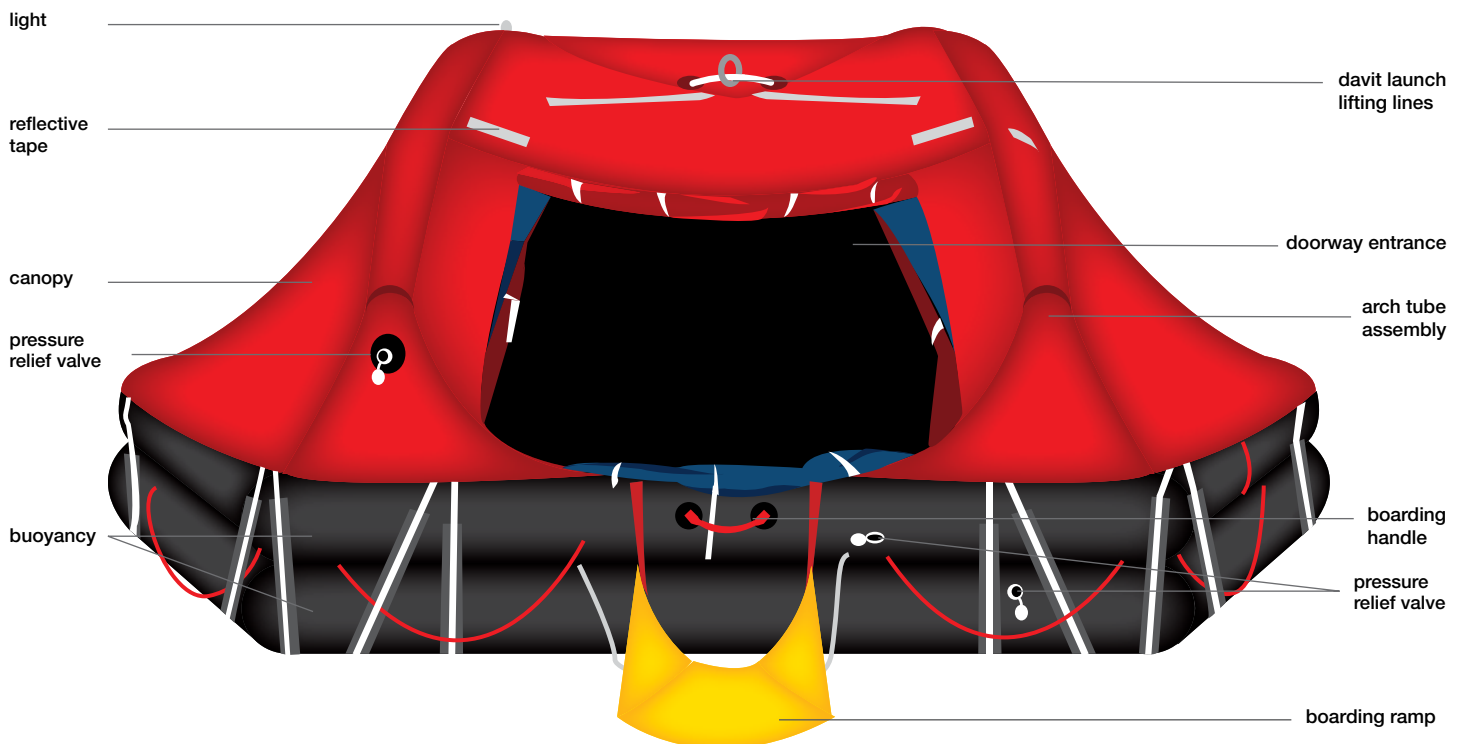

The SOLAS approved RFD Surviva brand is our flagship product range and remains the number one choice of liferaft for the marine safety industry. Manufactured to the highest quality standards and stowed in a variety of containers designed to suit most deck spaces. The Surviva Self Righting Liferrafts are a range of automatically self righting commercial marine liferafts that are suitable on a number of commercial craft types.

GLOBAL SERVICING AND DISTRIBUTION NETWORK

The Survitec group has a global distribution network of over 80 distributors and agents. Each of our partners has comprehensive industry experience ensuring we can provide you with the best possible service.

Our vast servicing network of over 400 Survitec fully approved stations worldwide supports our commitment to ensuring our customers can access a servicing facility anywhere in the world.

SURVIVA SELF RIGHTING LIFERAFT FEATURES

- Manufactured from corrosion and abrasion resistant lightweight rubber
- Fully enclosed high visibility canopy
- Non inflatable easy access boarding ramps
- Fitted with external and internal lighting to ensure maximum visibility.
- Comes complete with A or B type emergency packs which conforms to the Safety of Life at Sea (SOLAS) 1974, Chapter III and amendments.
